WELCOME STUDENTS!

We are so thrilled that you are interested in an internship placement through United Way of Southwest Virginia's Ignite Program this summer!

This exciting opportunity provides a summer work experience designed to help you gain career awareness and practical soft skills. Internships provide an avenue for you to explore jobs that complement your Academic Career Plan (ACP) or ignite a passion for a career you may have not known about before.

This Intern Manual will serve as a go-to resource for you and your guardians and/or parents before and throughout the program, along with United Way of Southwest Virginia staff support.

Your interest and participation in an internship through the Ignite Program will help to prepare you for the experiences that await you after graduation. Good luck, and enjoy this experience!

ABOUT IGNITE

Young adolescence is a time of intense identity formation and high school students are discovering who they are and finding their place in the world. Recent studies have shown that engagement begins to drop in 6th, 7th, and 8th grade, and that as many as 60% of students are “chronically disengaged” by the time they enter high school. Developing ways to introduce students as early as 6th grade to career options and opportunities so they understand the relevance of what they are learning and stay on track, with a goal in mind, is absolutely critical.

Ignite aims to address these issues starting in middle school all the way through high school graduation, creating connections that keep students engaged in learning, inspiring them to take rigorous courses and build relationships with employers, and increasing the likelihood that they will be interested in and prepared for post-secondary education, advanced vocational training, and/or excelling in the workforce.

United Way of Southwest Virginia’s Ignite Program sparks career interest in the next generation of Southwest Virginia’s workforce through career awareness and hands-on learning. These summer internships are one component of Ignite that will help bridge the gap between the worlds of learning and work by connecting schools and students with employers and employees. Across United Way of Southwest Virginia’s service area, the Ignite Program is investing in the lives of over 30,000 students – enabling middle school and high school students to realize their potential and be ready to enter and advance in the region’s workforce.

More information about the Ignite Program can be found online at www.unitedwayswva.org/ignite.

STEP 4.

GET TO KNOW THE INTERNSHIP

United Way of Southwest Virginia's Ignite Program provides our region's high school students with a four-week summer internship component designed to teach critical workplace skills and prepare students for the workplace through hands-on work experience. Internships bridge the gap between the worlds of learning and work by connecting schools and students with employers and employees.

Length of Internship

The internship this summer should take approximately four (4) consecutive weeks to complete. United Way of Southwest Virginia recommends about 16-20 hours of work per week, depending on the employer's preference and as agreed upon by the intern.

Summer internships need to take place between **June 1 and July 31, 2022.**

Payroll & Timesheets

Each intern will be paid \$11.00 an hour minimum for your work and participation in a summer internship. Payroll information, timesheet requirements, and other information concerning payment will be between the intern and the employer.

Work Schedule

You will need to complete a total of 80 program hours plus eight pre-employment training hours. Each intern's work schedule will look different. It is up to you and your employer to come up with a schedule that works for you.

Presentation

At the end of the internships this summer, we ask that you participate in a presentation about your work experience with your employers.

Pre-Employment Training

You will need to participate in United Way of Southwest Virginia's Pre- Employment Training. This training will count towards your total amount of 88 hours worked and will be paid.

Absences

Employers will discuss their own protocol when it comes to what absences count as excused or unexcused. You will not be paid for the hours you miss for an absence. However, you are encouraged to work with your Ignite Internship Mentor to make-up missed hours. **Interns must complete a total of 88 hours**, which includes your Pre-Employment Training.

You must communicate about an absence through a phone call directly to your Ignite Internship Mentor. If you notify your mentor that you will be coming in late or notify him/her that you cannot come in at all, you must call at least an hour before your original start time. You may not alert your mentor of an absence or a late arrival through email, text, or social media.

STEP 5.

WORKPLACE EXPECTATIONS

Develop Soft Skills

“Soft” or applied skills, such as teamwork, decision-making, and communication, are skills that help young people become effective employees and managers. Developing your soft skills is critical to your ability to contribute to a strong and vibrant workforce.

Appropriate Dress

Your Ignite Internship Mentor will instruct you on what is appropriate dress for the workplace. Each employer will have different requirements when it comes to dress.

Email and Social Media

You should use your school email and primary phone number to contact your Ignite Internship Mentor. Using a school email is important for consistency and alignment with your MajorClarity account.

FOR STUDENTS TO KNOW

Student Safety

Your safety is what is most important.

Safety training will be a part of Pre-Employment Training. If you should ever feel unsafe, harassed, or discriminated against at the work site you should leave and immediately contact both your direct supervisor/Ignite Internship Mentor and United Way staff with any concern you may have.

Confidentiality

Everything you see, help create, or share in conversation at your workplace during the internship must stay strictly between you and your workplace. Do not share the information and work of others by mouth, text, or social media.

Unacceptable Behavior

You are going to be held responsible for reading and understanding all materials in this manual. If you fail to meet the guidelines in this manual, you will receive one strike by your Ignite Internship Mentor. If you receive three strikes, you will no longer be able to participate in the program.

YOU WILL BE IMMEDIATELY TERMINATED FROM EMPLOYMENT IF...

- ...you are under the influence of illegal drugs or alcohol.
- ...you use tobacco products on your organization's property
- ...you participate in a fight on your organization's property
- ...you ruin, vandalize, or destroy any of your organization's property
- ...you possess firearms, explosives, weapons, or any other hazardous material on your organization's property
- ...you lie or fail to report properly to your Ignite Mentor or on your weekly log
- ...you use your cell phone excessively or do not follow your organization's cell phone policy
