HOW A COMMUNITY IDEA BECOMES TOWN ACTION

1

COMMUNITY MEMBERS

Students, families, and neighbors share needs, ideas, and problems.

2

ELECTED LEADERS

They listen, choose priorities, and decide how town money should be used.

3

TOWN MANAGERS

They turn the decision into a plan and organize the people and supplies.

4

TOWN WORKERS

They build, repair, and provide services such as buses, parks, libraries, and roads.

THE LOOP CONTINUES! COMMUNITY MEMBERS SEE THE RESULTS AND TELL LEADERS WHAT IS WORKING, OR WHAT STILL NEEDS TO CHANGE.
